Dr. George B. Cooper becomes faculty member and point of contact for full scholarship

Dr. George B. Cooper, Chairman of the Board of Directors of Brothers of the Wind, Inc. and one of the founding fathers of the on-campus organization in the 1970's, has been selected by ERAU as a new faculty member in the School of Engineering. Please join us in congratulating Bishop Dr. George B. Cooper in recognition of this achievement. But there's more...

Bishop Dr. George B. Cooper, Chairman, BOW

In a joint venture with The Prestigious Embry-Riddle Aeronautical University, Dr. Cooper and The Brothers of the Wind (BOW) organization are sponsoring and promoting a special program to subsidize up to 100% paid tuition for any qualified female or minority person (male/female), who are interested in receiving their Bachelor of Science degree in the field of Engineering.....be it Civil, Electrical, Mechanical, Aeronautical, Aerospace, Computer, Software and/or Computer Science.

ERAU's School of Engineering, Dr. Maj D. Mirmirani, Ph.D., is seeking those students of good character who have demonstrated scholastic achievement (ie., good GPA/SAT scoring) and capacity for future growth.

Potential candidates, please contact Dr. George B. Cooper, between the hours of 11AM-6PM(M-F), for further consideration through his email address: doc-pastorgeorge07@msn.com or at phone numbers: 407-273-3303, or Cell 321-947-6527.

Upon contact, please provide S.A.T. scores & G.P.A. and provide a phone number, for return calls.

Clinton Weekes, President, BOW

Dr. Cooper further exclaimed, "I'd like to give credit where credit is due, and that is to give full recognition to our esteemed and beloved President of Brothers of the Wind! He is truly a "Great Visionary" and I know all will agree. He saw the outworking of the results that brought us this great "Miracle" long before what even I could have imagined would bear forth!!! He has definitely earned a feather in his hat for this one."
